

High Heat Closure of Drive-Thru COVID-19 Testing Site

For your safety and the safety of our staff, the COVID-19 Curbside Testing line will close at 11A.M. on days where the temperature is 90°F or above.

- **If you are in need of testing for an upcoming Frederick Health procedure**, proceed to our Toll House location at **501 West 7th Street** for COVID-19 testing (see map for location details). This site will operate 12 NOON-2 P.M.
- If you or someone you know plans to visit our testing site soon, we suggest arriving to the testing site early in the day. As a reminder, the testing site opens daily at 7A.M. Scheduling updates are also posted on the Frederick Health Facebook page.

If at any time you feel short of breath or are having a medical emergency, call 911 or go to the Emergency Department. **Please inform ER/EMS that you have been tested for COVID-19** so they can be properly protected.
