Getting Started with the Frederick Memorial Hospital (FMH) CareTrack Portal Self-Enrollment

1. Navigate to the FMH CareTrack landing web page using http://www.fmh.org/CareTrack

2. Select the Self-Enrollment link. This will redirect you to the enrollment web form.

3. After updating all fields, click the “Submit” button. The entered fields will need to match exactly the corresponding information for your FMH medical record.

If any of the entered information does not match your current medical record, the system will display an error. You may try to input the information again or contact our Portal Specialist at: (240) 566-3438 or e-mail: caretrack@fmh.org.

4. If there were no issues with the submission you will see the following displayed.
5. An enrollment email will be sent to your email on file. If you did not receive an e-mail, check your email junk or spam folders. If still have not received the email, contact the FMH Help Desk at (240) 566-3438.

6. Click on the link at the bottom of the e-mail to open the Change Logon ID and Password web page; see screen shot below.
7. Update the New Logon ID, New Password & Confirm New Password, select a Security Question and provide a value for the Security Question Answer fields. **Please review the Logon ID & Password requirements outlined at the top of the web page.**

8. Click the “Submit” button. The following message should be displayed:
