

Hello, and welcome to Frederick Health Medical Group!

We appreciate the value of your time. Here are some tips to help us provide comprehensive care in an efficient manner:

- Please bring your insurance card and photo ID with you.
- Payment is expected at time of service. We accept cash, checks, and all major credit cards.
- For patients visiting one of our specialists: if you are a member of an HMO, please contact your primary care physician to obtain a referral. Most offices require 48 hours' notice to issue a referral.
- For all new patients to our practices, please have appropriate records forwarded to us before your appointment. Your Doctor's office will either mail or fax them to our office, but you must request them. This includes any recent office notes, labs, or imaging.
- **Please complete the attached paperwork and have it ready when you arrive for your visit.**
- **You may be asked to reschedule if you arrive after your check in time.**

We are working hard to ensure your time with us is as pleasant as possible. We are committed to your care and value any feedback you may have for us. Thank you and we look forward to seeing you!

Respectfully,

Your providers and staff at Frederick Health Medical Group

Principles of Partnership

As your healthcare partner, we pledge to:

- Respect you as leader of the team.
- Allow you to select a personal provider and care team who will know you.
- Treat you with respect, honesty and compassion.
- Include your family, other partners or an advocate in your care when you request.
- Hold ourselves to the highest quality and safety standards.
- Be responsive and timely with our care and information to you.
- Listen to you and answer your questions.
- Provide information to you in a way you can understand.
- Help you to set goals for your healthcare and treatment plans.
- Provide you with information to help you make informed decisions about your care and treatment options.
- Communicate openly about benefits and risks associated with any treatments.
- Respect your right to your own medical information.
- Respect your privacy and the privacy of your medical information.
- Work with you, and other partners who treat you, in the coordination of your care.
- Provide educational resources, information about classes, support groups, or other services that can help you learn more about your condition.

As a patient, I pledge to:

- Be a responsible and active member of my healthcare team, and participate in decisions about my care.
- Treat the whole team with respect, consideration and always tell the truth.
- Give you the information that you need to treat me.
- Tell you what medications/supplements I am taking.
- Inform you of all other provider visits, tests ordered, and medications prescribed by them and have them send us reports of your visit.
- Tell you if something about my health changes and any changes in my family, medical and social history.
- Learn about my health condition and let you know if there is something I do not understand.
- Understand my care plan to the best of my ability and follow my care plan that I have agreed upon or let you know if there are issues so the plan can be changed.
- Take all medications as prescribed and communicate to my team if there are issues such as cost or side effects.
- Communicate any questions using the patient portal or by phone.
- Tell you if I have trouble reading or hearing.
- Let you know if I have family, friends or an advocate to help me with my healthcare.
- Work with Frederick Health Medical Group and my insurance company to understand what my insurance plan covers. I will pay my share of any fees.

A BETTER APPROACH TO YOUR HEALTHCARE

No matter your health needs, your primary care provider is here to help you maintain a healthy lifestyle. Evidence shows that access to primary care helps people live longer, healthier lives*—and patients with access to regular primary care providers have lower overall healthcare costs.**

What is a patient-centered medical home (PCMH)?

It's an innovative approach to primary care that meets patients where they are—in the right place, at the right time, and with the right care.

Accessible

Shorter wait times, “after-hours” care, 24/7 telehealth access, and stronger communication

Committed to quality and safety

Evidence-based medicine and clinical support

Comprehensive

A team of care providers—from physicians to nurses to nutritionists to social workers—for prevention, wellness, acute care, and chronic care

Coordinated

Open communication across all parts of the broader healthcare system, especially during transitions between sites of care

Patient-centered

Provides the education and resources you need to make smart decisions and become an active participant in your own care

Personalized

Addresses your personal health concerns and needs

Supportive and encouraging

Advice via phone, email, text, etc. from your health team to help you meet your goals and support you with health issues and concerns

Efficient

Saves you time

Choosing the Right Level of Care

in a Medical Emergency

Everyone knows that a primary care doctor is the best place to go when you are sick or in pain. By seeing your primary care physician on a regular basis, they will have your complete health history and an understanding of any underlying conditions you may have.

Sometimes you become sick or injured when the doctor's office is closed, and sometimes you need more urgent medical attention than your doctor can provide. This handout helps to explain **where to seek the best care in your time of need.**

Primary Care Call to make an appointment with your primary care provider if you have symptoms of a regular illness or need a regular check-up.

- Treatment of illness, including:
 - Colds and coughs*
 - Sore throat*
 - Flu and flu-like symptoms*
 - Ear infections*
 - Urinary tract infections*
 - Minor aches and pains*

PATIENT PORTAL

All of your information in one place

The Frederick Health Patient Portal is an online tool that goes a step beyond simply displaying information by helping you manage your healthcare easily and securely.

We understand your time is valuable. The Frederick Health Patient Portal makes time-consuming tasks simple: a few clicks, and you're done.

- Review lab results, radiology reports, visit history, and health summary
- View, cancel, request, or schedule appointments
- Complete forms **before** your appointment
- Securely message your doctor between visits and request prescription renewals
- View your medication and allergy lists
- Initiate a Telehealth visit

...and more!

Sign up at any Frederick Health facility

- At the time of scheduling an appointment or registration, provide a valid email address.
- You'll receive a "Frederick Health Patient Portal - Password Reset" enrollment email from **NOREPLYPortal@Frederick.Health** at the email address provided.
- Complete your enrollment using the instructions provided in that email.
- Connect to a Third Party App:
 - You are now able to connect all of your medical health records (from various institutions) by using some third party apps.
 - This will gather all of your medical information and place it into one secure, easy-to-access location, alerting you when new information is available.
 - More information about connecting to third party apps is available on our website (FrederickHealth.org/Portal).

Available at your convenience

Get to the Frederick Health Patient Portal on your schedule, whether at home, on the road, or at a medical office when meeting with your physician.

FAQS

FAQs: You have questions, we have answers

Frequently Asked Questions and Enrollment directions can be found online at **FrederickHealth.org/Portal**.

Where does my health information in the portal come from?

All of the information in the Frederick Health Patient Portal comes from your Frederick Health Electronic Health Record. This ensures that you have access to the most accurate, up-to-date information possible.

Is my information safe?

Yes. Portal passwords are encrypted and URLs are re-written so that they cannot be copied and pasted. You and authorized persons are the only ones who can access your portal. Also, a timeout feature protects your information if you leave the portal page open.

What if I have a question about the medical information or appointments displayed in the portal?

Please contact your healthcare provider directly regarding any medical information contained in the portal.

Announcements

****NEW**** You can now self schedule your yearly physical exam with your Primary Care Provider by going to the Appointments page.

Frederick Health is proud to partner with Community Radiology Associates to provide screening and diagnostic imaging services at Frederick Health's Rose Hill and Crestwood locations. Any outpatient radiology studies done at a Frederick Health location PRIOR to April 1 will be accessible in the portal under the REPORTS tab. All Frederick Health Hospital studies will still be accessible in the Frederick Health portal.

Radiology studies done after April 1, 2022 will be accessible at <https://myradnetpatientportal.com/>.

I have read and understood the following:

- Frederick Health Hospital will release all records of treatment for mental health, chemical dependence, sickle cell anemia, genetic conditions and AIDS/HIV. If I do not want these to be released, I indicate here that I do not want records released regarding the following: _____.
- If I change my mind, I may write to the facility that I have authorized to release my records. This will not apply to records that have already been released.
- This authorization expires one year after I sign it or sooner (specify here: _____) the time period noted here may exceed one year only in certain situations specified by law.
- There may be a fee for releasing these records which is in accordance with Maryland law.
- Once records are released, Frederick Health Hospital cannot prevent them from being released to a third party.
- To be valid, this form must be filled out completely and signed. A copy has not been altered.
- If I do not sign this form, I will still be treated, unless the treatment is part of a research project that requires this authorization.
