Frederick Health Celebrates Annual Healthcare Week

Frederick, MD – May 4, 2023 Frederick Health, the largest healthcare provider in Frederick County, will celebrate its annual Healthcare Week from May 7th – 13th, 2023.

During this weeklong celebration of healthcare workers, the organization will provide giveaways, offer food trucks, hold special events, and take extra time to acknowledge team members' dedication over the last year. These events are not limited to just the Frederick Health Hospital, as celebrations will occur throughout the organization's network of locations. This year's new addition to the celebrations included an official proclamation from Frederick County Executive Jessica Fitzwater.

"Our team members work tirelessly to keep our community healthy," said Tom Kleinhanzl, President & CEO of Frederick Health. "Taking time to recognize their hard work and celebrate their accomplishments is a priority."

Frederick Health has been celebrating Healthcare Week for nearly a decade and the past few years have been a challenge for healthcare systems nationwide. This is why recognizing those who care for the community is more important than ever.

"Healthcare is a calling. By entering this profession, our amazing team can provide our friends and neighbors with the quality care they have come to know and trust," continued Kleinhanzl.
