Frederick Health Hosts National Cancer Survivors Day Programming
Events to be held both in person and virtually

Frederick, MD (May 25, 2023) – Frederick Health, the largest healthcare provider in Frederick County, is proud to partner with the National Cancer Survivors Day organization to honor those in the community that have been diagnosed and battled a cancer diagnosis.

This week-long event will be held from June 5 – June 9, 2023, including numerous in-person events like discussion groups, learning opportunities, and provider presentations. Virtual events like support groups, educational classes, meditation, and yoga will also take place.

This event is an opportunity to recognize members of the cancer survivor community in and around Frederick. Frederick Health invites those interested in joining the fellowship to share your stories, connect with other cancer survivors, celebrate personal milestones, raise awareness of ongoing challenges, and recognize those who have supported you along the way.

Anyone newly diagnosed, currently in treatment, or with a cancer history is encouraged to participate.

Frederick Health offers award-winning cancer treatment to our community. "Our patients come first," said Janet Rhoderick, Manager of Oncology Services with Frederick Health.

"From diagnosis to treatment, individuals on a cancer journey hold many hands. It is a journey that is multi-faceted and often life changing. Support is necessary. By bringing our cancer survivors, their families, and our care team together in fellowship, we honor this journey and the shared energy and efforts of all involved." added Rhoderick.

For more information, including a complete list of scheduled events and discussions, please visit www.frederickhealth.org/SurvivorsWeek.

About Frederick Health

Frederick Health provides comprehensive healthcare services to the residents of Frederick County. The system includes Frederick Health Hospital, Frederick Health Medical Group, Frederick Health Employer Solutions, Frederick Health Home Care, and Frederick Health Hospice. Frederick Health Medical Group is a multi-specialty practice with more than 100 providers, 18 specialties, and 24 locations across the county. The system has several ambulatory care locations, the freestanding James M Stockman Cancer Institute, three urgent care locations, and the Frederick Health Village. With over 4,000 team members, Frederick Health provides a full spectrum of healthcare and wellness services to support its mission to positively impact the well-being of every individual in our community.
